

Linda Tyler – Facials and Waxing

Facials

Classic European – 60

This deep-cleansing facial is the perfect treatment to help reduce the signs of fatigued, devitalized skin. A skin evaluation, deep-pore cleansing and exfoliation, a relaxing facial massage, and a final treatment mask. Your skin will feel supple, smooth, refreshed and completely nourished.

Glycolic Peel – 60

Glycolic acid is derived from the sugar cane and is considered a natural product. It helps to reduce the appearance of fine lines, and wrinkles, and makes the skin look smoother tighter and younger looking overall. Big results are seen in a series of these facials

Body Polish – 60

A treatment to rejuvenate the skin by removing the dead cells, bringing a healthy glow to the skin.
